

WEST PARK

BILINGUAL ACADEMY

July 1, 2025

Dear West Park Bilingual Academy Families,

I am thrilled to kick off the 2025-2026 School Year as the new Principal of West Park Bilingual Academy! It is an honor to join this vibrant and diverse community, and I look forward to working together to support and inspire every student to reach their highest potential.

This year we will be working together to shape our school's exciting new chapter as a bilingual academy. I look forward to collaborating with our dedicated staff and engaging with all of you to support our students as they grow academically and culturally.

Our mission is to empower students to become confident, compassionate, and culturally aware global citizens through bilingual education. We are committed to academic excellence, integrating Spanish instruction with core subjects, and celebrating the diverse cultures in our community. Our vision is to provide a high-performing bilingual environment that fosters academic success, cultural pride, and global competence, preparing students to lead and thrive in a multicultural world.

The benefits of bilingual education are clear—stronger critical thinking, academic growth across subjects, and cultural pride. It opens doors to future opportunities and helps students build confidence and a deeper understanding of the world.

I am excited to begin this journey with you and look forward to meeting you, hearing your hopes for our school, and building strong partnerships that will support our students' success.

Thank you for welcoming me to the West Park family. Let's make this year a fantastic one!

Yours in Education,

Kristen H. Clotworthy
