STUDENT HIGHLIGHTS

It's only been a couple weeks since the last day of school and we are already missing all of TIGERS!!!

We hope everyone is having a wonderful summer! We are keeping DOJO up for the summer to make sure we can reach everyone and you all can reach us if we are out of office.

Even though summer just started, our incredible teachers and staff are already gearing up to make the next school year our absolute best one yet! They are missing our students like crazy, but the good news is that you don't have to wait until August to see them. Many of our fantastic team members will be right here on campus running our high-energy summer camps all vacation long! 🌞🎁

Be sure to check out our summer camp schedule online and sign up today—come join the fun and hang out with your favorite school faces this summer!

A NOTE FROM THE TIGER TEAM

Keep your student's brain active and sharp all vacation long with our official **Summer Power-Up Packets!** These engaging review challenges are packed with essential skills to help your child hit the ground running for the upcoming school year.

You can easily download and print the packet from our school website right now, or stop by the main office to pick up a printed copy. Our summer office hours are **9:00 AM to 3:00 PM.** And we have an awesome reward lined up! If your student brings their completed packet back to their teacher at our Open House on **August 18th**, they will instantly earn **500 ClassDojo points** to spend on incredible prizes at our school store! Let's team up to keep the learning momentum going all summer long!

LIFE LONG LEARNERS

Did you know that reading just 15 to 20 minutes a day over the summer completely prevents the "summer slide"?

Daily reading keeps young brains sharp, expands vocabulary, and builds critical thinking skills so students head back to school ahead of the game.

Our local libraries, Malley's Chocolates and Pizza Hut are all hosting epic Summer Reading Challenges! They have both on-line and paper tracking systems! We are looking forward to hearing about the books everyone is reading!
