

WEST PARK

BILINGUAL ACADEMY

July 1, 2026

West Park Bilingual Academy Tiger Families,

We are thrilled to kick off the 2025-2026 School Year! We look forward to working together to support and inspire every student to reach their highest potential.

We look forward to collaborating with all of you to support our students as they grow academically and culturally.

Our mission to empower students to become confident, compassionate, and culturally aware global citizens through bilingual education continues. We are committed to academic excellence, integrating Spanish instruction with core subjects, and celebrating the diverse cultures in our community. Our vision is to provide a high-performing bilingual environment that fosters academic success, cultural pride, and global competence, preparing students to lead and thrive in a multicultural world.

The benefits of bilingual education are clear—stronger critical thinking, academic growth across subjects, and cultural pride. It opens doors to future opportunities and helps students build confidence and a deeper understanding of the world.

We are excited to continue this journey with you and look forward to meeting you, hearing your hopes for our school, and building strong partnerships that will support our students' success.

Let's make this year a fantastic one!

Yours in Education,

The West Park Bilingual Academy Staff
